

BEAUTIFULLY BITTERSWEET

Is it over, is it through?
Are the answers overdue?
Mesmerized by what's to come
Till the meaning finds us numb

In between, inconcrete
We are beautifully bittersweet
Till we wake up complete
We are beautifully bittersweet

In the meantime, in between
Misinterpret what we've seen
Can the questions satisfy?
Can we trade in death for life?

In between, inconcrete
We are beautifully bittersweet
Till we wake up complete
We are beautifully bittersweet

In between, inconcrete
We are beautifully bittersweet
Till we wake up complete
We are beautifully bittersweet
